THE HIDE AND SEEK EXTREME Run and hide in a secret spot where you won't be found. It's a race against time for "it" to track you down, plus beware of special abilities being used to detect you. Get picked as the seeker and you will be on the hunt!

LAMBORGHINI AVENTADOR

TOP TRUMPS USE FACT FILE
The Aventador (aka the Aventador) is a sports car. It's a Transformer if you're a Transformer fan! It's an all-wheel drive model and, as opposed to Ferrari's, it uses a single clutch. It has a single clutch, where gearshifts are accompanied in just 50 milliseconds. The average human eye takes 300 to 400 to blink. Now, that's quick!
